

August 15, 2021

It is an unprecedented time for all of us as we continue to deal with the impact of a global pandemic. The health and safety of our members is of utmost importance. Our re-entry team continues to monitor local, national, and global reports and recommendations. In light of the current surge in Tarrant County COVID hospitalizations, we urge each of you to take the precautions you need to keep yourself, vulnerable friends, and family members safe.

We respect everyone's choice to worship in the sanctuary or from home. To protect your neighbors and yourself, when worshipping in the sanctuary or meeting in the church buildings, the team asks you to consider wearing a face covering and maintaining social distancing, as is comfortable to you.

If you need transportation or help to schedule a COVID-19 vaccine, you can contact the church office. Please join us as we continue to pray for an end to this disease and the worldwide suffering it has caused.
